No. 66. Read the following letter from E. F. HARRISON, Esq., Civil Auditor, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 17th March 1860, No. 259.

Fixed Department.

Under Orders of the Government of India received with Extract Minutes Consultation, No. 6, dated 22nd December 1857, No. 5347, the following scale of Salaries was sanctioned for the Superintendents and Assistants of the Police Department:—

20 Superintendents at 700 per mensem.....	Rupees,	14,000
20 Assistants „ at 300 „	„	6,000
		20,000

and provision was made for the appointment of two Assistants at Rupees 150 in place of one at 300.

In the case of the Superintendents, the salary of Rupees 700 is understood to be consolidated with Military pay, which is deducted in this office from salary abstracts and drawn separately in the Military Department. I have the honor to enquire, if the salaries of the Assistant Superintendents (when Military Officers) are in like manner to be considered as consolidated pay.

The question is asked with reference to a bill for Civil salary at Rupees 150 per month received from Lieutenant Gordon who was appointed Assistant Superintendent of Mofussil Police in General Orders of 21st February 1860.

It would appear to be desirable for the guidance of this office and to obviate future references that Assistant Superintendents should be designated as 1st and 2nd class Assistants.

———

No. 67. ORDER THEREON, 31st March 1860, No. 394.

Resolved that the Civil Auditor be informed that the salary of Assistant Superintendent of Police whether at Rupees 300 or 150 per mensem is to be in addition to full Military pay and Regimental allowances. The appointment would not be tenable by a Military Officer on any other terms and it is important that the Government should have the power of employing such Officers on the duty.

The suggestion in the concluding paragraph of Mr. Harrison's letter will be referred for the consideration of the Inspector General Mofussil Police.

(Signed) T. PYCROFT,
Chief Secretary.
