*Proceedings of the Madras Government, Judicial Department,
for the month of April 1860.*

No. 10. Read the following Despatch from the Right Honorable Sir C. WOOD, Bart., Secretary of State for India, to His Excellency the Honorable the Governor in Council, Fort Saint George, dated London, 24th February 1860, No. 8.

I have considered in Council your letter as
Judicial letter, dated 18th Nov. (No. 44) 1859. per margin, on the subject of the continuance of disturbances on the frontier of the Madras District of Northern Canara, and of the Portuguese Settlement of Goa. I regret to learn that the "Bund," or band of outlaws, who were ravaging those parts, had succeeded, up to the date of your letter under reply, in eluding the pursuit of the troops sent against them; they are now reported to be "hard pressed;" Her Majesty's Government hope that the measures adopted by Lieutenant Drever, as noticed in paragraph 4 of the letter under reply, (seconded by the cordial co-operation which the present Governor General of Portuguese India is affording, and which has already received their warm acknowledgments) will lead to the capture or unconditional surrender of the marauders, whose qualified offer of submission you have most properly rejected.

No. 11. ORDER THEREON, 2nd April 1860, No. 405.

Copy of the above Despatch will be forwarded to the Commissioner of North Canara:

2. It is observed that in two later communications to the Secretary of State, under dates the 16th January last, and 5th ultimo, the attack on the Bund by Lieutenants Drever and Giertsen, and Colonel DaSilva, and the surrender and capture of the leaders of the Bund were reported to the Home Government.
