*Proceedings of the Madras Government, Judicial Department,
for the month of April 1860.*

No. 19. Read the following letter from C. M. TEED, Esq., Administrator General, Madras, to the Chief Secretary to Government, Fort Saint George, dated 26th March 1860, No. 1,434.

With reference to paragraph 5 of the Order of Government dated 16th September last, No. 1,249, I have the honor to lay before the Honorable the Governor in Council an explanation on the list of the Estates having balance at credit in excess of Rupees 500 at 30th June 1859, copy of which was furnished to the Auditors with my letter of the 16th September last, and bearing reference to paragraph 12 of their report of 2nd September last.

With reference to the list referred to in paragraph 9 of the Auditors' report of the 2nd September last, I beg to annex a transcript of such list with my remarks at foot thereof, which will explain the reason which prevents most of those Estates being finally disposed. The Estates marked B. I have made a separate list of them, and which will be almost immediately transferred to Government. Some of the accounts of these Estates being very old, and the research and labor having been extended to a series of years, and a close reference to very old records, and what with the closing of my books, and the preparation of my schedule, I am fully aware have occupied my Department this length of time, nevertheless of all desire to have done sooner.

The costs referred to in the same paragraph have not been realised; on enquiry of the Solicitor, Mr. Boyson, he informed me that he is unable to trace the plaintiff in that action in Jourdan's Estate.

List of Estates having balances at credit in excess of Rupees 500 at 30th June 1859.
