*Proceedings of the Madras Government, Judicial Department,
for the month of April 1860.* | a

No. 23. Read the following letter from Colonel J. C. BOULDERSON, Commissioner of Police, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 31st March 1860, No. 37.

1. Certain Sword belts and slings in use with the Mounted Police being worn out, I submitted an Indent for a new supply to the Inspector General of Ordnance and Magazines for sanction, and as the black belts formerly supplied had not been found to answer, I requested that the new articles might be made of brown leather; I at the same time informed that Officer that the belts could be made up in the Troop Work Shop at an estimated cost of Rupee 1-2-6,

**Vide Extract from letter in margin given.*

"I have the honor to acknowledge the receipt of your letter, No. 114, dated 13th March 1860, and, in returning the Indent to which it gave cover, to inform you that none of the articles indented for are available at the Grand Arsenal, but as the Superintendent of the Mounted Police states that he is able to make up these articles in the Troop Workshop at a much cheaper rate than the Grand Arsenal, I would beg to suggest that that course be adopted for complying with the demand now made, the attendant expence being adjusted through the channel usually resorted to in defraying the contingent expences of the Mounted Police."

(Signed) G. W. Y. SIMPSON, Lieut. Col.
Ag. Inspt. Genl. of Ord. and Mag.

23rd March 1860.

2. The Estimate now submitted for sanction is for leather and workmanship only, the old brass mountings will be used again.
