*Proceedings of the Madras Government, Judicial Department,
for the month of April 1860.*

No. 5. Read the following letter from Colonel F. A. REID, Quarter Master General of the Army, to the Chief Secretary to Government, Fort Saint George, dated 10th March 1860, No. 83.

Having referred to the authorities as per margin, noted in the Order of Government, in the
Extract Minutes Consultation, No. 158, dated 22nd January 1857. Judicial Department, dated 13th ultimo, No. 173, which is in reply to my question of the 27th January, asking under what circumstances; and at whose recommendation, an outlay of
Extract Minutes Consultation, No. 322, dated 17th February 1857. Rupees 2,400 per annum, was sanctioned for the Cantonment Roads at Bellary, His Excellency the Commander-in-Chief desires me to say, that he quite fails to gather from any of those references, a reply to the question put.

2. The first Order, referred to a Table for the whole Presidency, which includes Bellary at 200 Rupees a month, but no sanction is given to the measure, it having been returned to the Chief Engineer to be modified in various ways. The second Order of Government referred to, records a Report from the Chief Engineer, that the estimates had been returned to this Office. My Deputy's letter stating that Bellary was allowed 2,400 Rupees a year, was derived from Order of Government, dated 12th October 1859, No. 1389, which remarks that "an annual allowance of Rupees 2,400 had been entered in the budget for 1859-60" for Bellary.

3. Still it is quite undetermined, at whose recommendation, and on what original authority, this sum was sanctioned. Because, if under the Orders referred to, Bellary is entitled, so is every other station included in the Chief Engineer's statement, presented to Government in his letter dated 16th December 1856, No. 8929.

No. 6. ORDER THEREON, 11th April 1860, No. 422.
Referred to the Department Public Works, for any further explanation that can be furnished.

(Signed) T. PYCROFT,
Chief Secretary.
