*Proceedings of the Madras Government, Judicial Department,
for the month of April 1860.*

No. 40. Read the following letter from E. G. R. FANE, Esq., Agent to the Governor, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Vizagapatam, 27th March 1860, No. 127.

With reference to the Orders of Government, noted in the margin, I have the honor to inform you, that the parties therein referred to and noted in the margin,* were severally ordered to the places appointed for them to reside in by Government. They all had affairs to settle in this District, and one or two, the first in particular being sick, they have been hitherto permitted to live on here; they now all earnestly request that they may be left at Vizagapatam Town under my surveillance, instead of being sent, the 1st to the District of Masulipatam, and the other 5 to Palcondah; they say, they would prefer being here, where they are known, and where their crimes whether great or small are thoroughly understood, and where their good behaviour if persisted in, would be more likely noticed, than when amongst strangers. The places ordered for their residence, they also fear, may be injurious to their health.

2. Since their release from prison, they have daily appeared before me, and have wonderfully improved in health; and I am therefore not so anxious that they should be removed to the neighbourhood of the hills, as I see that with proper food, the climate of the sea coast is not so very injurious to them. In a political point, I have no objection to their remaining here, and if the Government have none, I shall upon receipt of their instructions, issue the necessary orders in the matter.

No. 41. ORDER THEREON, 14th April 1860, No: 441.
The Government authorize the Agent to retain the State Prisoners referred to, at Vizagapatam.

(Signed) T. PYCROFT,
Chief Secretary.
