*Proceedings of the Madras Government, Judicial Department,
for the month of April 1860.*

No. 46. Read the following letter from R. P. HARRISON, Esq., Accountant General, to the Chief Secretary to Government, Fort Saint George, dated 30th March 1860, No. 506.

General Department
(Adjustment.)

I have the honor to acknowledge the receipt of the Proceedings of Government, on the subject of the adjustment of advances made by the Collector of Ganjam for expenses incurred in quelling the disturbances in Purlakemidy Talook during the years 1856 and 1857, with Order thereon, dated 20th instant, No. 341, Judicial Department.

2. In the 6th paragraph of the above Order, the Government call upon me to explain why these advances have been allowed to remain so long unadjusted. In reply, I beg to state that on assuming charge of this office my attention was early attracted, as reported in my letter to Government, No. 432, dated 8th ultimo, to the unsatisfactory condition of the advances in several of the Collectorates. Detailed statements of all unadjusted advances were called for from the different Collectors, and the item now in question constituted one of the many outstanding balances regarding which explanation was required. It was in consequence of the measures adopted by this department that the Collector applied for the sanction he has now obtained.

3. Government are already aware of my having taken measures to effect the due adjustment of all advances, and I do not apprehend that there will be any delays of the nature complained of in future.

No. 47.

ORDER THEREON, 14th April 1860, No. 444.
