*Proceedings of the Madras Government, Judicial Department,
for the month of April 1860.*

No. 82. Read the following letter from G. THORNHILL, Esq., Acting Magistrate of Kurnool, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 11th April 1860, No. 2.

* Dated 9th April 1860, No. 21. I have the honor to forward copy of a letter* from the Officer Commanding the Kurnool Irregular Horse, regarding the state of the horses belonging to the Detachment of the Corps under his Command, at present serving in the Canara District.

† Dated 11th March 1860. Adverting to the letter† from the Inspector General of Mofussil Police, copy of which was furnished to me with the Proceedings of the Madras Government, No. 384, under date the 29th March 1860, it appears that the services of this Detachment are not considered of great value by the Officers under whom they are serving, and I have therefore the honor to submit for the consideration of Government the advisability of relieving them from that duty, if possible, before the setting in of the monsoon.

From Lieutenant H. S. ROBINSON, Commandant of Kurnool Irregular Horse, to G. THORNHILL, Esq., Acting Magistrate of Kurnool, dated 9th April 1860, No. 21.

I have the honor to report for your information that it has been brought to my notice that the horses of the Detachment of the Rissalah under my Command, at present serving in the Canara District, are suffering much from the inclemency of the climate, and it is much to be feared that during the monsoon many will be rendered totally unfit for further effective service, especially as during that season horses in that District are very liable I am given to understand to weakness in the loins.
