*Proceedings of the Madras Government, Judicial Department,
for the month of April 1860.*

No. 110. Read the following letter from GEO. PEARSE, Esq., M. D., Director General, Medical Department, to the Chief Secretary to Government, Fort Saint George, dated 5th April 1860, No. 58.

The Surgeon of the Lunatic Asylum having reported, in obedience to the Orders of Government, Judicial Department, No. 1122, of the 19th August 1859, regarding 2nd Dresser Seweram, that after active Medical treatment since 9th September 1859, no improvement whatever in the mental condition of the patient has taken place, there appears to be no ground for hoping that this man will ever again be fit to perform the duties of 2nd Dresser. Under these circumstances, I have the honor to recommend, that the Dresser be transferred to the Pension Establishment. Should the Government approve of the measure, the necessary steps will be taken, in communication with His Excellency the Commander-in-Chief, to carry it into effect.

No. 111. ORDER THEREON, 20th April 1860, No. 474.

The Director General may send in an application for pension on behalf of the Second Dresser referred to, to the Military Authorities, who will dispose of it according to the Regulations of the Service.

(Signed) T. PYCROFT,
Chief Secretary.
