*Proceedings of the Madras Government, Judicial Department,
for the month of April 1860.*

Read the following papers:—

No. 4. From E. F. HARRISON, Esq., Civil Auditor, to T. PYCROFT, Esq., Chief Secretary to Government, Fort St. George, dated 21st March 1860, No. 270.

I have the honor to request the sanction of Government to the admission in the accompanying Abstract of the Establishment of the Inspector General of Mofussil Police for last month of the sum of Rupees 400, being the amount of a fee to be paid to Mr. T. Peachey under the Orders of Government of the 4th November 1859, No. 1496.

A sum of Rupees 500 was passed to Mr. Peachey under the above Orders in Mr. Robinson's Establishment Abstract for December last.

The present charge though probably unobjectionable is of a nature which appears to me to require the specific sanction of Government before admission by the Civil Auditor.

Referred to the Inspector General of Police for explanation.

FORT SAINT GEORGE,
28th March 1860.

(Signed) T. PYCROFT,
Chief Secretary.

No. 5. From W. ROBINSON, Esq., Inspector General of Police, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Ootacamund, 12th April 1860.

With reference to the Civil Auditor's letter dated 21st March 1860, No. 270, I have the honor to state that under date 9th November 1859, (Extract Minutes Consultation No. 1496,) I was permitted to avail myself of Mr. Peachey's services, with a view to having the Account Department of the Police Administration put on a clear and good system and footing.

2. This service has been performed by Mr. Peachey: and he has been watching the working of the system and rectifying errors, both in the Central Office and in the Districts for some months. His services have been most useful and he is still interesting himself in perfecting this all important branch of my business.

3. The Government Order stipulated that Mr. Peachey's remuneration was to be met from my fixed Office allowance, I have most carefully avoided organizing a large and expensive Office Establishment, and on the average not one half of the allowance has been spent each month. This arrangement has left a margin from which to meet liberally really useful expenditure such as that under consideration.

4. In December last I drew 500 Rupees on account of Mr. Peachey's remuneration, which I paid to him in January, when I asked him to state what he considered his services entitled him to, he stated £ 100. Adding, that for this he would not only devise a general routine &c., but see the system into smooth working, and he is even now a referee in difficult matters of account in my Office during my absence.

5. I do not therefore consider Mr. Peachey's charge under all circumstances an excessive one, and I trust the Government will be pleased to sanction my drawing on my Office allowance to the extent of 1,000 Rupees on this account.

No. 6. ORDER THEREON, 21st April 1860, No. 479.

Under the explanation submitted by the Inspector General of Police, Government authorize the Civil Auditor to admit the further fee of Rupees (400) four hundred to Mr. T. Peachey.

(Signed) T. PYCROFT,
Chief Secretary.
