*Proceedings of the Madras Government, Judicial Department,
for the month of April 1860.*

No. 64. Read the following letter from Colonel J. H. BELL, Chief Engineer, to the Secretary to Government, Public Works Department, dated Chepauk, 21st April 1860, No. 12543.

Judicial.

With reference to paragraph 2 of the Proceedings of Government, dated 3rd November 1859, No. 1484, I have the honor to forward herewith the Plan on which the Estimate for the proposed Police Tannahs at Eckumbi and Munchekerri in the District of North Canara has been framed.

Enclosures 2.

- 1 Letter from District Engineer North Canara, dated 30th March 1860, No. 639.
- 1 Plan.

2. In the room measuring 10' x 13' no window has been provided for. It is desirable that there should be one at least. In the larger room also (20½' x 13') very little light and air have been provided. This defect also requires to be remedied.

3. As from paragraph 1 of the Proceedings above quoted, it appears that the subject of the Tannahs in question has been referred to the Inspector General of Police for report, I beg that the question of the improvements above adverted to may be also referred for the consideration of that authority in disposing of the subject on which the Government have called upon him for his opinion.

Transferred to the Judicial Department.

(Signed) C. G. MASTER,
Deputy Secretary to Government.
