MILITARY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Acting Quarter Master General of the Army, Fort Saint George, 10th April 1860.
No. 111; to the Secretary to Government, Military Department.

In the order of Government, Military Department, No. 1306, dated 3rd instant, it is intimated, what reductions will be feasible in the Native Army, consequent on the introduction of the new Police in certain Districts.

Since the orders of Government in the Judicial Department, dated 3rd January last, No. 2, desiring Mr. Robinson to take immediate measures for relieving by his Police, the Jail and Treasury Guards in certain Districts, were promulgated, I have issued, under His Excellency's orders, the following instructions to Divisions, with the view to reductions in the Barrack Department being made, as also to provide for the transfer of Public Buildings.

Whenever Mr. Robinson notifies, that he is prepared to raise a Guard of the Line by a Guard of the new Police over Jails or Treasuries, the former should be withdrawn to Regimental Head Quarters—Buildings in use with the troops to be made over to the Police, if required, and a receipt for them taken such as is given by one Military Officer in charge, to a relieving Military Officer. If not required by the Police, they should be placed under the custody of a Military Guard, until instructions for their ultimate disposal, are issued.

Barrack Conicopoles stationed at any place, thus relieved by the Police, to be discharged at once, and the fact reported to this Office.

Public buildings transferred to the Police, to be so recorded in Annual Returns.

ORDER No. 1477, 19th April 1860.

1. Approved.
2. It appears to the Governor in Council, however, that it is desirable that the Military Buildings vacated by Detachments of the Line, should be made over to the custody of the Police, whether required by them or not, until they can be finally disposed of.
