PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from Colonel J. H. BELL, Chief Engineer, to J. D. BOURDILLON, Esq., Secretary to Government, dated Chepauk, 31st March 1860, No. 11,965 :—

With reference to the Orders quoted in the margin, I have the honor to forward herewith for submission to Government, the Survey Report of the Civil Architect for the past year, upon Buildings rented for public purposes, which, for the sake of easy reference, has been put into a more convenient form in this Office.

No. 742, dated 30th March 1859.
" 895, dated 15th April 1859.

2. Captain Hitchins observes that the directions in paragraph 2 of the Orders of the 30th March 1859, are not carried into effect, inasmuch as Buildings are occupied and vacated without any intimation being given to the proper Departments on this point.

3. If the form in which the Report now submitted has been drawn up in this Office be approved of, the Civil Architect will be instructed to prepare his future Reports accordingly.

4. The subject of paragraphs 2 and 3 of Captain Hitchins' letter has already been laid before Government in my letter of the 13th instant, No. 11,281.

ORDER THEREON, 24th April 1860, No. 812.

With this letter the Chief Engineer forwards the Survey Report for 1859 on the various Buildings at Madras rented for public purposes.

2. Paragraph 2 of the Order of Government, dated 30th March 1859, No. 742, directed that before houses were hired for Government purposes, the Civil Architect should report upon them. This Order has been lost sight of by Heads of Offices, and their particular attention as well as that of the other Departments of the Government will be called to it. Notice should also be invariably given to the Civil Architect when rented buildings are given up.

3. Due care will be taken that the repairs shown in the Statement to be necessary shall be duly executed.

4. The form in which Colonel Bell has submitted the information now before Government is approved for future adoption by the Civil Architect.

5. The average monthly expenditure for rent at the Presidency according to the present Statement amounted in 1859 to Rupees 4,163-5-4.
