Proceedings of the Madras Government, Judicial Department, for the month of May 1860.

No. 41. Read the following letter from E. F. HARRISON, Esq., Civil Auditor, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 1st May 1860, No. 407.

By Orders of Government of the 10th July 1856, No. 737, the Civil Auditor was informed that the Supreme Government had authorized the Government of Madras "to pass to the "Administrator General of that Presidency such a monthly salary as, added to the amount of his "commission calculated upon an average of the last three years, will give him a clear income of "Rupees 1,200 a month after defraying the cost of his establishment."

Under the above authority an allowance of Rupees 700 per mensem was assigned to the Administrator General, calculated on the commission received during the three years 1853, 1854, 1855.

I have the honor to enquire if the above rate of allowance is to be considered as open to revision with reference to the commission whether more or less at present yielded by the Office.

I have brought the subject to the notice of Government at the present time, as, if the allowance is held to be open to periodical revision, it would seem to be convenient that it should be fixed annually from the 1st May, calculated on the results of the three Calendar years immediately preceding, that is, that the salary for the year May 1860 to April 1861 should now be determined with reference to the Administrator General's accounts for the years 1857, 1858, 1859.

No. 42. ORDER THEREON, 7th May 1860, No. 569.

Ordered that the Civil Auditor be informed that the question relative to the remuneration of the Administrator General has been referred by the Government of India to the Secretary of State—no steps can, therefore, be taken for the present in respect to the revision of his allowance.

(Signed) T. PYCROFT,
Chief Secretary.
