Read again letter from the Auditors of the Accounts of the Administrator General, and recorded in Proceedings, 23rd April 1860, No. 499.

Read also the following papers:—

No. 55. From A. MACDONALD RITCHIE, Esq., Administrator General, Madras, to the Chief Secretary to Government, Fort Saint George, dated 2nd May 1860, No. 680.

I have the honor to acknowledge the receipt of the Proceedings of the Madras Government, Judicial Department, under date 23rd ultimo, No. 499, and with reference to the observations contained in paragraph 2 of the Order, to submit for the information of Government, that, the Estates entered in List B forwarded with the letter from this Department dated 26th March last, do all fall within the provisions of Section LI of Act No. 8 of 55, inasmuch as claims have not been made or allowed thereon, and that the entries of transactions in respect of such Estates during the period of fifteen years, have reference only to the receipt of Commission previously erroneously drawn and ordered to be refunded, and to the realization of Interest, and to the payments made thereout, either on account of Audit, or Commission, or both.

With respect to the Estates* instanced by Government, the 1st of these was transferred to Government in July 1855, under the LI Section of the Act, and the amount of Rupees 13-12-3 appearing at the credit of the Estate is the sum that was realized on the 14th December 1858 from Mr. Serle, being a refund of Commission he had erroneously charged on the funds appertaining to this Estate, and that the payment made and debited on the 31st March 1856, was the proportion of Audit expenses.

* *Anderson, Riordon.*

The 2nd case (Riordon's) the payments made are the charges of Commission and of the proportion of Audit. The funds in this Estate are invested in Government Securities and consequently the Interest thereon is realized and credited half-yearly; whereupon the usual Commission is charged on such Interest, and proportion of Audit paid half-yearly.

I submit therefore if these Estates be allowed to continue in the official custody of the Administrator General for another term of fifteen years, the transactions will be similar and the dates of receipts and of payments will not appear more remote.

No. 56. From J. R. BOYSON, Esq., Government Solicitor, Madras, to the Chief Secretary to Government, Madras, dated 8th May 1860, No. 450.

Proceedings of Government in its Judicial Department, dated 23rd April 1860, *No.* 499.

1. I have the honor to acknowledge the Proceedings of Government noted in the margin.

2. Having obtained such further information as I considered needful, I submitted it and the Proceedings above noted for the consideration of the Advocate General.

3. I now forward for the information of Government a copy of his opinion and return the papers noted at foot.

NOTE OF ENCLOSURES.

List of unclaimed Assets in the custody of the Administrator General.

Letter from the Administrator General of Madras, to Government, dated 2nd May 1860, No. 680.

COPY—OPINION.

I am of opinion that it was the intention of Section 51 of Act 8 of 1855 to include unclaimed legacies as well as unclaimed debts and distributive shares of next of kin, and with reference to the 2nd paragraph of the Order of Government, dated 23rd April 1860, No. 499, and the explanation of the Administrator General under date 2nd May 1860, I am of opinion that payments, such as he mentions, made merely on account of Audit or Commission, do not come within the meaning of Section 51 where it speaks of "claims made and allowed." The Estates included

Proceedings of the Madras Government, Judicial Department, for the month of May 1860.

In Lists A and B ought therefore, in my opinion, to be at once transferred and paid to the Sub Treasurer and carried to the account of the Secretary of State for India for the general purposes of Government.

(Signed) THOS. SYDNEY SMYTH,
Advocate General.

(True Copy.)

(Signed) J. R. BOYSON,
Government Solicitor.

6th *May* 1860.

No. 57. ORDER THEREON, 18th May 1860, No. 619.

A copy of the Advocate General's opinion will be furnished to the Administrator General and to the Auditors of his Accounts.

2. The assets of the 39 Estates in List B will be made over to the Sub Treasurer for credit of Government. The Estates marked A will also be similarly disposed of under the provisions of Section LI, Act VIII, 1855.

3. The Administrator General will in like manner transfer to Government the assets of the Estates alluded to in paragraph 2 of the Auditors' letter of the 17th ultimo, unless he should in any instances be aware of any objections, in which case he may represent them.

(Signed) T. PYCROFT,
Chief Secretary.

Exd. F. Cartledge.
