PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of the Madras Government in the Judicial Department:—

Referring for any further explanation regarding the outlay of Rupees 2,400 per annum, sanctioned for the Cantonment Roads at Bellary. } (Here enter 11th April 1860, No. 422.)

ORDER THEREON, 2nd May 1860, No. 904.

On the 16th December 1856, the Chief Engineer laid before Government Estimates received from the Quarter Master General of the Army, for the Conservancy of the several Military Cantonments in this Presidency; but the Government returned them, in view to repairs and new works which were mixed up together, being shown in separate Estimates. The Chief Engineer, however, entered in the Budget for 1857-8 the sums included in the Estimates for the maintenance of the roads in the several Cantonments; and for some cause not now discoverable, or by oversight, these entries were not struck out in the Government Office, and they have been included in succeeding Budgets. No Order, however, has ever been passed sanctioning the disbursement; and the Chief Engineer will now be directed to prohibit expenditure under this item, without further Orders from Government.

Order of Government, 22nd January 1857, No. 158.
