*Proceedings of the Madras Government, Judicial Department,
for the month of May 1860.*

No. 74. Proceedings of the Madras Government, dated 19th May 1860, No. 629.

In their Registrar's letter of 9th February 1860, No. 15, the Court of Sadr Adalat stated, in reply to a reference which had been made to them by Government on the point, that provision for carrying on the duties devolving upon the Sub Judge of Bellary might be legally made by constituting temporarily a Principal Sadr Ameen's Court at that station; but they submitted that the circumstances of the case were not such as should induce Government to make such an arrangement, and in this view the Government—11th February 1860, No. 163—acquiesced.

2. The Sub Court of Chittoor is however now unfilled, the gentleman who was lately acting there having been transferred to other employment elsewhere, and the Sessions Judge has for the present been authorized by an order of the 27th ultimo, to carry on the duties of the Sub Judge on the Criminal side of the Court. He will not, however, be able to continue to do this on the Civil Court re-opening, and as the Government cannot depend upon obtaining at an early date the services of a Covenanted Officer to act as Sub Judge, they would wish to adopt the arrangement which was considered, but not acted on, in the case of the Bellari Sub Court. They therefore request that the Judges of the Sadr Adalat will be so good as to submit the draft of a Notification announcing that a Principal Sadr Ameen's Court will temporarily be established at Chittoor in lieu of the present Subordinate Court.

Chief Secretary.
