No. 11. Read the following letter from W. ROBINSON, Esq., Inspector General of Mufassal Police, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 9th May 1860.

I have the honor to submit the accompanying Pay Abstract for my Office Establishment for the month of April last, which has been returned by the Civil Auditor unaudited because unaccompanied by a Certificate that the Officers employed, had passed the Uncovenanted Service Examination. The statement of leave can be easily furnished.

2. My Establishment is maintained on a general allowance of 1,000 Rupees per month; but for the following reasons, I have been unable to carry out the instructions of Government in regard to passed Candidates.

(1stly.) The service of the Mufassal Police is as yet not quite popular, and the travelling and inconvenience to which my personal Establishment is subjected, has operated against my securing the services of passed men of so useful a stamp as some that have joined me from other walks of life.

(2ndly.) I am unable to constitute my Office on a permanent footing until the organization of the Districts is more advanced and the nature and amount of the varied duties to be required of the Office Establishment have shown themselves more fully.

3. From the fact of the Civil Auditor not having called for similar Certificates on previous occasions, I infer that my Establishment has been recently transferred to the permanent head in his Office. Several of the Officers have been engaged for many months in my Establishment although not passed Candidates. As I am unable to constitute a Permanent Establishment and to give immediate effect to the Orders of Government, I beg that the Civil Auditor may be instructed to pass my Office Abstract as heretofore for one year longer and to leave open to revision as the work developes itself. Within one year I shall be able to constitute an effective Office Establishment suited to the nature of the duty to be performed. And the Government may rely on my keeping their views in mind; and on my constituting it in strict accordance with the resolutions of Government above adverted to.

4. In the mean time I request, that, although my Office Establishment has been retained for some time under the head of "Temporary Establishment" and must still remain open to revision, orders may be given to secure the rights of pension and reckon the service of *Mr. W. Bates*, lately Head Accountant in the Office of the Collector of Malabar, who was Manager of my Office till recently promoted to a Deputy Collector—of *Purushotem Ráo*, late Munshi on the Establishment of the Collector of Nellore and Head Munshi in my Office till recently removed to become Head Manager in the Office of the Collector of North Arcot—of *S. Ramachendra Nayadu*, lately of the Accountant General's Office and now Head Accountant in my Office, and of any Officers now in public employment, or passed Candidates, who may be entertained on my Establishment.

5. I am sorry to trouble Government with proposals to treat my Establishment in an exceptional manner, but I am satisfied that expense will be saved and the public interest be advantaged by not pressing the matter too soon.

No. 12. ORDER THEREON, 23rd May 1860, No. 637.

The Honorable the Governor in Council authorizes the Inspector General of Police, for the reasons urged in the above letter, to entertain on his Establishment, within the extent sanctioned in the Order of the 15th January last, No. 48, any qualified person, without reference to his having passed the Uncovenanted Service Examination. When the nominee happens to be a passed Candidate, the information required under the Notification of the 18th March 1859, will be appended to the Pay Abstract of the Establishment.

2. On the final revision of the Inspector General's Establishment, it will be open to Government to require unpassed Candidates entertained under this Order, to qualify under the Examination Rules. In the meantime, such employés will not be permitted to be transferred to, or admitted into, other Establishments without this qualification, nor to reckon their service towards pension.

3. The servants referred in paragraph 4 of Mr. Robinson's letter and any Officers now in public employment or passed Candidates who may be entertained on the Inspector General's Establishment, will be held entitled to the same privileges as regards pension, service, &c., as servants on other fixed Civil Establishments.
