*Proceedings of the Madras Government, Judicial Department,
for the month of January 1860.*

No. 5. Read the following letter from Lieutenant Colonel J. H. BELL, Chief Engineer; to the Secretary to Government, Public Works Department, Fort Saint George, dated 21st December 1859, No. 8563.

Enclosures 3.

1 Letter from District Engineer, North Arcot,
No. 1175, dated 3rd December 1859.
1 List, and
1 Abstract Estimate.

I have the honor to forward herewith for submission to Government an estimate amounting to Rupees (45) forty-five, for putting up four small Ventilators to the Subordinate Judge's Court House at Chittūr.

2. This estimate was prepared by the District Engineer of North Arcot at the request of the Subordinate Judge, and provides for 4 Ventilators on the roof of the building which is stated to be at present very deficient in that respect. The building was last repaired in the year 1858 when a sum of Rupees 550 was expended upon it.

3. It will be observed from the list accompanying the estimate now submitted that the Subordinate Judge has approved of the work proposed, and as it is not within the province of the Central Office to authorize its execution, I have to request the sanction of Government to the amount of the estimate in question, which has undergone the requisite examination, and is found to provide adequately for the proposed work.

Transferred to the Judicial Department.

(Signed) J. D. BOURDILLON,

23rd December 1859.

Secretary to Government.
