From the insufficiency of hands in the Record Room to arrange the records of no less than 14 District Munsifs, and to pick out old records for destruction, considerable business has accumulated in the Record Department, and it is likely to continue, if it is not remedied. Authority has been granted for the entertainment of these 4 Gomastahs, subject to the confirmation of the Supreme Government.

The Munsif requires this aid for the period solicited in order to bring down, in file which is the heaviest of all the District Courts under this Zillah. Authority has been granted for the entertainment of these Gomastahs, subject to the confirmation of the Supreme Government.

Favorable.
