Proceedings of the Madras Government, Judicial Department,

12th June 1860.

No. 86. Read the following letter from J. ROHDE, Esq., Inspector General of Jails, to T. PYCROFT, Esq., Chief Secretary to Government of Fort Saint George, dated Ootacamund, 31st May 1860, No. 238.

With reference to the Proceedings of the Madras Government, 30th August 1859, No. 1,170, I have the honor now to submit the account for all charges incurred to Ootacamund for the Pump, frame and pipe, taken by Government for the supply of water to the new Prison at this station.

2. I omitted to notice one item, in originally submitting the Bills, namely the Commission charged by Messrs. Thompson & Co's. Agents in England to them, which adds 5 per cent. to the cost. Messrs. Thompson & Co. agreed to supply the article at a charge of 5 per cent. on the cost to them, and of course the charge is correct.

3. There is no freight chargeable from Calcutta, the Bills I submitted being Messrs. Thompson's charges for the articles delivered on boardship in England, Messrs. Arbuthnot & Co. having paid freight from England with all charges to Madras.

4. I have not drawn the Rupees 1,126-10-10 already sanctioned as I wanted to get Messrs. Arbuthnot & Co's. annual account before I did so to see what was the total cost.

5. I shall be obliged by sanction for the balance of Rupees (417-5-8) four hundred and seventeen, Annas five and Pice eight.

No. 87. ORDER THEREON, 12th June 1860, No. 738.

Sanctioned, (Rupees 417-5-8) four hundred and eighteen Rupees in continuation of the Order of the 30th August 1859, No. 1,170.

(Signed) T. PYCROFT,
Chief Secretary.
