*Proceedings of the Madras Government, Judicial Department,
21st June 1860.*

No. 134. Read the following letter from F. LUSHINGTON, Esq., Acting Accountant General, to the Chief Secretary to Government, Judicial Department, Fort Saint George, dated 19th June 1860, No. 73.

General Department.

With reference to the Order of Government in the Revenue Department, No. 983, dated 25th September 1857, authorizing the debit to the Magisterial Department of $\frac{1}{3}$ rd of the salaries of the European and Native Officers holding jointly Revenue and Police authority, I have the honor to request that I may be favored with the instructions of Government whether this proportion should not be reduced in those Districts in which the new Mofussal Police has been organized, and if so, what should be the proportion instead? The Police functions being entirely taken away from Revenue Officers, and a portion of the cost of the Revenue Establishments made over to the Inspector General, it would be incorrect to retain this proportion in the accounts now.

No. 135. ORDER THEREON, 21st June 1860, No. 771.

Resolved that the above letter be referred to the Board of Revenue, who will state their view on the subject after communication with Mr. Pelly and with the Inspector General of Police.

(Signed) T. PYCROFT,
Chief Secretary.
