Enclosures 5.
2 Original letters with 1 Enclosure.
1 Abstract estimate.
1 Valuation estimate.

I have the honor to forward for submission to Government an estimate amounting to Rupees (131) one hundred and thirty-one, for repairing the roof of the Darogah's Tannah at Tenampettah, and for raising the walls in front of it two feet.

Letter No. 947, *dated 28th October* 1859.

Letter No. 873, *dated 3rd October* 1859.

Letter No. 1074, *dated 17th December* 1859.

2. The estimate was submitted to this office by the Civil Architect in accordance with the request of the Barrack Master, but, as the valuation of the building was not given, it was returned to Captain Hitchins for re-submission with the information required, which has since been furnished. As the estimate for the necessary repair and improvement exceeds ¼ of the value of the building, it does not come within the province of this office to sanction it.

3. Captain Hitchins reports, that the work being one of emergency, has been commenced and is almost completed. The estimate having been examined in this office, I beg to recommend it for the sanction of Government from the General Funds at the disposal of the Civil Architect.

Transferred to the Judicial Department.

Deputy Secretary to Government.
