1. The Civil Auditor having objected to pass the salaries of the servants noted in the margin for April last, on the ground that their acting tenure of office has exceeded the period allowed by paragraph 2 of the Government Order dated the 24th October last, No. 1,440, I have the honor to submit herewith a return shewing the names of persons holding acting appointments with a statement of each individual case, and solicit the Orders of Government as to whether the persons entered from No. 1 to 8 may be confirmed on the ground that they have previously held permanent posts in the public service, and that there are at present no qualified candidates to take their places.

2. I also beg that the Government will be pleased to permit me to retain in service the persons entered from No. 9 to 12 until I can secure the services of passed Candidates and that the Civil Auditor may be authorized to pass their salaries in the meanwhile.

3. In my letter to you dated the 3rd October last, No. 290, I fully explained the difficulty of procuring the services of passed Candidates. I hope however that several of the young men who appeared at the last examination here will be found to have passed, and I do not anticipate any difficulties of this kind hereafter.
