PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from Lieutenant-Colonel W. H. HORSLEY, Chief Engineer, to J. D. BOURDILLON, Esq., Secretary to Government, dated Chepauk, 31st May 1860, No. 1,084 :—

2 Letters from District Engineer, Tinnevelly, Nos. 145 and 184, dated 10th January and 20th March 1860.
1 Proceedings Board of Revenue, No. 819, dated 15th February 1860, with 1 enclosure.
1 Letter from Register Sadar Court, dated 11th May 1860.
1 Plan and 2 Abstract Estimates.

1. I have the honor to forward for submission to Government an Estimate amounting to Rupees 356, for converting part of the old Palace at Strívalliputtúr in Tinnevelly into a District Munsif's Court.

Letter from District Engineer, Tinnevelly, No. 145, dated 10th January 1860.

2. In Extract Minutes of Consultation, dated 20th March 1857, No. 513, an Estimate of Rupees 1,050 was sanctioned for constructing a new Munsif's Court, but the work is under restriction and the Civil and the Session Judge of Tinnevelly has recommended that part of the old Palace be adapted to the same purpose, which may be done at a cost of Rupees 356, and to this arrangment the Collector agreed.

3. The Munsif's Court will consist of a lofty apartment, measuring 55½ × 43 feet, with a small bench for the Munsif and a railed partition for records.

4. I beg, at the same time, to submit an Estimate of Rupees 104, for completing the works to the same building, necessary to render it suitable for the Táluq Kacherí included in the Estimate of Rupees 1,164-4, sanctioned on the 14th March 1854, No. 113. The excess is caused by loss incurred in selling materials already charged to the work, to a rise in rates since the Estimate was made, and to the cost of partially filling in a supposed bath.

Vide letters from District Engineer, Tinnevelly, No. 145, dated 10th January.
Board of Revenue, No. 819, dated 15th February and Register Sadar Court, dated 11th May 1860.

5. As the Estimates now submitted have received the approval, not only of the local authorities, but of the Sadar Court and Board of Revenue, I beg to recommend them for early sanction.

6. I would also suggest that the Estimate of Rupees 1,050, for building a new Munsif's Court, sanctioned on the 20th March 1857, may be cancelled.

ORDER THEREON, 26th June 1860, No. 1,341.

1. The Government sanction the two Estimates submitted with this letter amounting together to Rupees (460) Four hundred and sixty, one to the amount of Rupees 356 for providing accommodation in the old Palace at Strívalliputtúr in Tinnevelly for the District Munsif's Court, and the other amounting to Rupees 104 for completing the work now in progress for converting a part of that building into a Táluq Kacherí. This makes the entire grant, for the latter purpose, Rupees 1,268-4.

Order, March 14th 1854,	Rs.	1,164-4
Supplimental Estimate	,,	104-0
Total Rs.		1,268-4

2. The Order of the 20th March 1857, No. 513, sanctioning an Estimate of Rupees 1,050 for a new District Munsif's Court House at Strívalliputtúr is cancelled.
