Proceedings of the Madras Government, Judicial Department, 4th July 1860.

No. 13. Read the following Despatch from the Right Honorable Sir C. WOOD, Bart., Secretary of State for India, to His Excellency the Honorable the Governor in Council, Fort Saint George, dated London, 31st May 1860, No. 19.

1. Your letter No. 10, dated 23rd March last, with its enclosures, relative to certain proposed amendments of the Administrator General's Act VIII of 1855, has been laid before me in Council.

2. The decision of Sir A. Bittleston extending to applications for Probates in England, the provisions of Section XI of the Act, which were intended to apply, and had been previously applied by all the Supreme Courts in India, only to such applications in the latter country, made it incumbent on the Advocate General to bring the matter to your notice, with a view to the interference of the Legislature; which, however, has been rendered unnecessary by the subsequent decision of the full Court, maintaining the limited interpretation of the Clause.

3. I observe that a Bill respecting the Administration by the Administrator General to Estates of deceased Military persons, not exceeding 500 Rupees, is under the consideration of the Legislative Council.

No. 14. ORDER THEREON, 4th July 1860, No. 831.

Communicated to the Advocate General in reference to Proceedings, 14th March last,

(Signed) T. PYCROFT,
Chief Secretary.
