Proceedings of the Madras Government, Judicial Department, 14th July 1860.

No. 79. Read the following letter from C. F. CHAMIER, Esq., Registrar of the Foujdari Adálat, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 6th July 1860, No. 12.

1. I am directed by the Judges of the Foujdari Adálat to report for the Orders of Government, under the provisions of Act IV of 1849, the case of one Juje Mingeli, Prisoner in No. 17 of 1860 on the Calendar of the Session Court of Mangalore.

2. The Prisoner was tried for the murder of his child Rosa Maria, two years of age. The murder is fully proved by the evidence in the case; but it is also clearly shown that the Prisoner was at the time insane, and had been so for some time. He had been placed under restraint for some months by his friends, but had been of late less strictly guarded, owing to an impression that his madness had abated.

3. The Prisoner has been acquitted, as having been at the time of unsound mind, so as to excuse him according to law; and the Judges recommend that he be kept in strict confinement for life.

No. 80. ORDER THEREON, 14th July 1860, No. 883.

Under Section III, Act IV, 1849, the Government direct that the prisoner, Juje Mingeli, who has been convicted by the Session Court of Mangalore of murder in the person of his own child, but acquitted specially on the ground of insanity, be kept in strict confinement for life.

(Signed) T. PYCROFT,
Chief Secretary.
