Proceedings of the Madras Government, Judicial Department, 18th July 1860.

No. 107. Read the following letter from JOHN MILLER, Esq., for J. R. BOYSON, Esq., Government Solicitor, to the Chief Secretary to Government, Fort Saint George, dated 10th July 1860, No. 701.

Dated 3rd July 1860, No. 828, Judicial Department.

1. I have the honor to acknowledge the Proceedings of Government noted in the margin and its accompaniment.

2. I have submitted same for the consideration of the Advocate General and I now send you a copy of his opinion thereon.

COPY—OPINION.

No objections can possibly be offered a priori, or by way of anticipation, by the Supreme Court, to the proposed measure of establishing a ground for Rifle practice at Landon's Gardens, and the grounds adjacent thereto. If, however, accidents should occur from appointing Rifle practice to take place in the very heart of Madras, and close to that crowded thoroughfare, the Ponamallee Road, it will doubtless be competent to any parties who may suffer injury or risk (ex. gr. by the frightening of their horses, &c.,) to present an Indictment for a Nuisance, in addition to the proceedings which would be taken as a matter of course should loss of life ensue.

(Signed) THOS. SYDNEY SMYTH,
Advocate General.
