*Proceedings of the Madras Government, Judicial Department,  
1st August 1860.*

No. 7. Read the following letter from Mr. GEO. W. STUART, to the Secretary to Government, Madras, dated Calcutta, 13th July 1860.

I beg that you will lay this before His Lordship, the Governor of Madras, to secure the patronage of the Madras Government to my publication of "Civil and Criminal Cases, and Circular Orders of the Sudder Nizamut Adawlut, for the months of January, February, March and April." The work will comprise a choice selection of Cases, chiefly not published in the Monthly Decisions and Reports printed by authority.

I have adopted the form in which the English Law Journal Reports are issued, with a full heading, giving the pith and substance succinctly and clearly. One of the Judges of the Court has kindly taken upon himself this trouble, as well as the revision and correction of the work; so that nothing will be wanting to render the work chef d'œuvre.

I am Reporter of Sudder Decisions to the Hurkaru Newspaper; and many cases which have appeared in it are included in the present work.

I have entrusted the printing of the work to Mr. A. G. Roussac, the able Secretary of the Bengal Printing Company Limited, who is getting it up very neatly in Small Pica type, in vols. of royal 8vo. size.

My next Report, I beg to state, will comprise May, June and July Cases, after which it will be issued in monthly numbers.

The price of the work is fixed at 3 Rupees per copy. I await your early instructions as to the number of copies you may require, so that on its completion I may, without loss of time, forward them to you.

No. 8. ORDER THEREON, 1st August 1860, No. 965.

The Judges of the Sudder Adalat are requested to state, whether they require any—and if so, how many—copies of the proposed publication.

(Signed) T. PYCROFT,  
*Chief Secretary.*
