*Proceedings of the Madras Government, Judicial Department,*
*6th August* 1860.

No. 34. Read the following letter from Colonel J. C. BOULDERSON, Commissioner of Police, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 27th July 1860, No. 81.

1. On the 4th May last, I had the honor to report for the information of the Honorable the Governor in Council that several daring robberies had taken place in Madras, and that property of considerable value had recently been stolen from a house situated at the Adyar, occupied by Captain Rundall, and from another situated on the Mount Road, occupied by Captain Johnstone. For reasons given in my letter under notice, the Government was pleased to authorize the offer of a reward of 500 Rupees for the apprehension of the party or parties implicated.

2. I have now the satisfaction to annex an extract from the Calendar of the third Sessions of our Supreme Court for this year, by which you will perceive that several of the parties who had committed Burglaries during the preceding few months, have not only been arrested, but also convicted, and by reference to cases Nos. 25 and 26 you will find that the Burgler, who entered the house of Captain Rundall has been sentenced to transportation for 7 years.

3. I beg you therefore to favor me by soliciting the Honorable the Governor in Council, to authorize the payment to me of Rupees 300 out of the 500 sanctioned, for distribution among those persons who were induced to give the information which procured the arrest of the several parties committed for trial, leaving the balance of Rupees 200 to be paid when the thief and receiver, in the case of the robbery in the house of Captain Johnstone are arrested, tried, and convicted.

4. I deem it my duty to bring to the notice of Government the names of those Officers of the force, by whose strenuous efforts both within Madras and in adjoining districts, since July last year, I have been enabled to procure the conviction of so many experienced thieves, and through whose devoted and praiseworthy exertions, the panic which their successful depredations gave rise to, has been allayed and public confidence completely restored, and I trust His Excellency the Governor in Council will not consider that I step beyond the bounds of my duty, when I earnestly solicit for each of them a bonus of one month's pay, as an acknowledgment of the good service rendered by them, and as an encouragement to the members of the force generally to exert themselves to the utmost on future occasions.

5. The names of the Officers whom I consider deserving the special notice of Government, are :
