*Proceedings of the Madras Government, Judicial Department,

No. 44. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine, to the Chief Secretary to Government, Fort Saint George, dated 3rd August 1860, No. 3,563.

Referring to the Proceedings of Government marginally No. 634, dated 22nd May, 1860. noted, I have the honor to inform you that passage to England has been provided for the insane patient Daniel Lacon on the "Earl of Hardwicke" for the sum of Rupees 500, the Commander supplying him with provisions, medicines and Medical attendance, and accommodating him with a small cabin in the forepart of the ship.

2. Two thirds of the passage money will be paid at Madras on embarkation and the balance on arrival in England after due delivery of the man to the proper authorities at Blackwall.

3. It is usual when sending Home Military insane patients to call on the Commander to enter into a formal agreement for their due care and custody. A document of this description will be executed on behalf of four insanes proceeding in the "Earl of Hardwicke" under orders from the Military Department, and Lacon's name will be included therein.

4. Advice should be forwarded to the Council of India, in order that they may depute some one to take charge of the man at Blackwall, as it is possible the functionary sent for the Military insanes might decline to receive him.

No. 45. ORDER THEREON, 7th August 1860, No. 986.
