77	Commissioner of Police.....	11th May.....	Forwards the Annual Statements of the House of Industry from 1st April 1858, to 31st March 1859. 79	Chief Commissioner of Mofussil Police.	9th May.....	Instead of forming a semi-Military cordon as proposed by Mr. Fisher in his report on the subject of the Frontier Police, intimates that he would at once re-constitute the entire Police of 4 Northern Talooks and put it on a Constabulary footing. 80	Chief Commissioner of Mofussil Police.	9th May.....	Submits the proposals of the Joint Magistrate of Canara for the re-organization of the Police in the District of North Canara on the Dharwar and Goa frontier, and within the Talooks of Soopa and Peishkary of Hallyal, but considers it better to place the entire Police of Soopa, Soonda, Yellapoor and Bilighi Talooks on a Constabulary footing, and, were this done, does not think that more than 200 or 250 men need be added to complete the Establishment. Strongly recommends that the Joint Magistrate be allowed 25 horse-men.
81	Minute by the President.....	12th May.	Observes that the re-organization of the Police in the 4 Northern Talooks of Canara on a Constabulary footing is in accordance with former orders, that the new levies should be kept within 200 foot-men in addition to the Police Peons, and that the necessity for raising Horse Police must be shewn and confined to the smallest possible number.
82	Order thereon.....	27th May.....	Resolve accordingly. Cannot accede to the proposal to confer on the Officer appointed to command the powers of a Magistrate, as it would be inconsistent with the principle of the new Constabulary force, except under peculiar and emergent circumstances.
