Proceedings of the Madras Government, Judicial Department,
17*th August* 1861.

No. 127. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine; to J. D. SIM, Esq., Secretary to Government, Marine Department, Fort Saint George, dated 17th August 1861, No. 2,341.

I have the honor to acknowledge receipt of the Proceedings of Government of the 16th instant, No. 1,039, and to inform you that I intended to have the Andaman Sebundy Corps brought from Rangoon by the monthly Mail Steamer, as reported in my letter of the 6th instant, No. 2,218. Such of the Corps as may be prepared to leave Port Blair will be embarked by the "Dalhousie" about the end of the present month and will reach Rangoon on or about the 2nd or 3rd proximo. The "Governor Higginson" will probably have left Rangoon before this, but as I hear that arrangements are being made for placing the Steamer "Burmah" on this line in lieu of that vessel, they can probably be embarked for Madras about the 25th proximo.

No. 128. ORDER THEREON, 17th August 1861, No. 1,042.

Ordered that the following Telegram be despatched to the Secretary to the Government of India in the Home Department.

"Your Telegram dated 15th instant received. The "Dalhousie" touches at Port Blair and takes the Andaman Sebundy to Rangoon, whence they will be brought to Madras by the monthly Mail Steamers. The services of "Dalhousie" and "Coromandel" Steamers, and "Tubal Cain" and "Sesostris" Transports relied on by this Government for conveyance hither of one Company European Artillery, two Native Infantry Regiments and sick details."

Secretary to Government.
