Proceedings of the Madras Government, Judicial Department,
23rd August 1861.

No. 161. Read the following letter from Mr. GEORGE SAWYER; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 12th August 1861.

I beg most respectfully to forward for submission to Government, the accompanying copy of a "Manual of the Law of Contracts" which was compiled by me.

The work is chiefly intended for the use of Courts in the Mofussil, where, I presume, none other is available on this most important branch of Law in a compact and easy form such as would serve for ready reference; and I therefore most humbly pray the Government will be pleased to afford me their kind patronage and support, should they consider the present work sufficiently useful to merit the same.

No. 162. ORDER THEREON, 23rd August 1861, No. 1,068.

The Government having in other cases decided that inexpensive publications should be purchased by the servants and Officers of Government at their own expense—Resolved that Mr. George Sawyer be informed that the Government do not require any copies of his Manual on the Law of Contracts.

(Signed) J. D. SIM,
Secretary to Government.
