Rupees.....	770

I have the honor to forward the accompanying plan and estimate, amounting, after correction, to Rupees 770 for the re-construction of the Sebundy Barracks and Hospital at Palcondah in the District of Vizagapatam.

2. These buildings are represented to be in an uninhabitable condition in consequence of the ravages made in them by white ants, and as the Collector has signified his approval to the execution of the works, by attaching his signature to the estimate, and stating that the buildings equally with those at Nursapatam, (repairs to which were lately sanctioned in Government Order No. 1,112, dated 15th June 1861,) are required for the Armed Reserve, I beg to recommend that sanction be granted for carrying out the works from the Reserve Fund, the allotment of this District for the current year being insufficient to meet this extra charge.

3. The estimate has been duly examined in this Office, and the present District Engineer states that the rates entered therein are sufficient if early sanction be accorded. The submission of this estimate has been deferred owing to the refusal of Government at first to sanction* estimates for repairs to similar buildings, viz., the Barracks at Nursapatam.

* Vide Proceedings of Government, No. 956, dated 17th May 1861.
