3. The Sudder Court are of opinion that the retention of these Courts beyond the period for which they have been sanctioned, will be indispensably necessary, and the Government propose to extend the period to the end of the current official year, or from January to April 1862, and recommend the extension for sanction.

4. The charge for the additional Courts for January, February and March 1862, will be met from the savings which have accrued under the head of Civil and Sessions Courts, out of the sanctioned expenditure for 1861-62. That for April will be included in the Budget for the ensuing official year.
