Proceedings of the Madras Government, Judicial Department,
29th January 1861.

No. 159. Read the following letter from Major W. J. WILSON, Commissioner of Police, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 24th January 1861, No. 10.

1. The Civil Auditor having declined to pass for payment the accompanying Bill for Rupees (5-14-9) five, Annas fourteen, and Pice nine, for expenses incurred on account of the seven horses for the Police Van, mentioned in the letter from this Department noted in the margin,* I have the honor to submit it for the sanction of Government and request, that until the extra horses are disposed of, I may be allowed to include this charge in the Contingent expenditure already sanctioned in Government Order, dated 21st December 1860, No. 1,685, Judicial Department.

* *From Commissioner of Police to the Chief Secretary to Government, dated 19th December* 1860, *No.* 151.

2. I expect to be able to dispose of the extra horses very shortly.

No. 160. ORDER THEREON, 29th January 1861, No. 114.

The Government sanction payment of the Veterinary Surgeon's allowance, at the regulated rates, for the seven horses obtained from the Remount Depôt, for the Police Van. The charge will be passed from the 18th ultimo, until the surplus horses are disposed of.

Shoeing, and Europe and Country Medicines at Rupees 1-12-0 *per horse per month.*
Head Money at Rupees 12-7-0 *per* 100 *horses per month.*

2. It is observed that, in the present instance, as well as on a previous occasion, when 50 horses arrived from Oossoor to remount the Police Troop, special sanction was applied for to employ, until the extra horses were sold, the requisite number of horse-keepers and grass-cutters, and to disburse the allowance claimed by the Veterinary Surgeon. As these charges are altogether of an incidental character, the Government resolve to authorize the Civil Auditor to admit the expenditure, in the usual Contingent Bills of the Mounted Police, on satisfying himself that the temporary addition to the horses of the Troop, had been sanctioned by Government, and on production of the "present states" of the horses.
