No. 96. Read the following letter from J. ROHDE, Esq., Inspector General of Jails; to T. PYCROFT, Esq., Chief Secretary to the Government of Fort Saint George, dated Ootacamund, 16th August 1861, No. 363.

I have the honor to request that you will lay before His Excellency the Governor in Council, with reference to the Order of Government, dated the 5th ultimo 1861, No. 868, that if the houses for the Warders of the new European Prison are built as proposed* by me in the form of detached Cottages (and pretty, much in the style of the house Boys lives in, in my grounds) they may be immediately commenced and finished at one-third of the cost that will be incurred by attaching them to the Prison building and of the same style as the building.

**Letter to Government, 7th June* 1861, *No.* 243.

2. Considering the habits required by Europeans in India, where every man has a Native servants of some sort, I had much rather these dwellings were not connected with the Prison.

Communicated to the Chief Engineer in reference to the last paragraph of the Order of the 20th June, No. 795. The Warders' Cottages may be built detached from the Prison, but the sites for them must be selected as near to it as possible. The *building* of the Cottages will be deferred for the present.
