Proceedings of the Madras Government, Judicial Department,
25th September 1861.

No. 154. Read the following letter from P. LUSHINGTON, Esq., Acting Accountant General; to J. D. SIM, Esq., Secretary to Government, Fort Saint George, dated 12th September 1861, No. 146.

Budget and Finance Department.

I have the honor to transmit an original* letter from the Commissioner of Police, dated the 22nd ultimo, No. 312, together with the Supplemental Budget Estimate therein alluded to, and to state that it does not appear that any Supplemental provision is necessary, as the charges noted in the margin, for which provision has been made in that Estimate, have been, as observed in the 2nd paragraph of the Order of Government dated 12th July last, No. 902, Judicial Department, already sanctioned by the Government of India,† and can be met from the savings in other items. With exception of these two items, the other alterations are merely nominal as stated in paragraph 3 of Major Wilson's letter, being a re-distribution of the items of Clothing, &c., as entered in his original Budget Estimate, among the different Departments.

principal Budget heads or Departments of the service, with certain reservation therein specified. It is of course open to this Government to report to the Supreme Government, such cases as they may think, should under those orders, be reported to them.

2. In paragraph 5 he states that the Supplemental Estimate forwarded by him, shews a decrease in the total amount of expenditure entered in the original Budget to the extent of Rupees 1,431-12-8, as per Abstract, but striking out Pensions and Gratuities amounting to Rupees 727-0-0, which have been already provided for by the Civil Auditor, the net decrease would be Rupees 2,158.

3. Under the explanation now afforded by the Commis-

sioner of Police, the 1st paragraph of the Order of Government, dated 12th July last, No. 902, above referred to, should be cancelled, and the necessary authority issued to the Officiating Civil Paymaster to pass the charges in question.

4. In a letter* from this Office, dated the 23rd ultimo, No. 115, the authority† of the Government of India was pointed out under which the local Governments are at liberty to expend at discretion, within the limits sanctioned by the Government of India under the
