Proceedings of the Madras Government, Judicial Department, 26th September 1861.

No. 157. Read the following letter from W. J. RAYNOR, Esq., Officiating Civil Paymaster; to J. D. SIM, Esq., Secretary to Government, Judicial Department, Fort Saint George, dated 12th September 1861, No. 845.

Judicial Department.

The Pay Abstracts of the revised establishments sanctioned in Government Order, No. 927 of the 19th July having been received in this Office for audit, I have the honor to report that I have passed the same in anticipation of the confirmation of the Government of India, which is necessary under the rules, to the arrangements authorized in the above Order.

No. 158. ORDER THEREON, 26th September 1861, No. 1,206.

The Government approve the passing of the Pay Abstracts of the revised establishments sanctioned in the Order of the 19th July last, No. 927.

2. The Civil Paymaster considers that the confirmation of the Government of India is necessary. In the two first paras. of the Order in question, the Civil Judges at Trichinopoly and Chingleput were each authorized to retain for employment under them a Writer and a Gomastah belonging to the Principal Sudder Ameens' Courts, which were about to be closed. In a similar manner, from a portion of the saving to be effected by the abolition of the Mufti Sudder Ameen's Court at Chicacole, the salaries of certain servants in the Civil Court were raised to the original rates.

3. None of these arrangements were attended with any fresh expenditure whatever. The Civil Paymaster will explain why he cannot apply to these cases the Orders noted in the margin, authorizing this Government to sanction changes in establishments, and a re-arrangement and reduction of Offices, involving no increase of charge.
