Proceedings of the Madras Government, Judicial Department, 10th October 1861.

No. 35. Read the following letter from W. ROBINSON, Esq., Inspector General of Madras Police; to the Chief Secretary to Government, Fort Saint George, dated 23rd August 1861, No. 1,272.

I have the honor to forward a copy of a letter received from Brevet Captain D'Arcy, 32nd Regiment N. I., which though in a demi-official form, I submit at once on account of my intended departure on leave in a few days.

2. The Ganjam *Sibundies* having been *incorporated* with the Madras Police, I consider that the Officers attached to the Corps have also been transferred to the Police, to be employed if their services are required.

3. Captain Lock is now in Europe on leave, and Captain D'Arcy has been acting in his place as 2nd in Command of the *Sibundies*. I therefore have placed the latter Officer in a similar position in the Police to that he held in the *Sibundies*, viz., *Acting* Assistant Superintendent of Police in Ganjam, reserving the *permanent* appointment for Captain Lock if anxious to remain in the force. He is the Officer first I think entitled to consideration in the new arrangements.

4. I am not aware that the rules of the service admit of the arrangement proposed by Captain D'Arcy in regard to pay, if they do, there can be no objection on the score of funds. The full pay is provided in the Budget.

KIMEDY,
12th August 1861.

MY DEAR MR. ROBINSON,

I was much surprised to hear from Mr. Forbes that you had written to him to say that I was to consider myself as acting for Captain Lock. M. C. No. 2,630, 25th September 1855, distinctly states that, "an Officer on the Staff removed from one appointment to another is not allowed to retain his new appointment after quitting India, unless he has assumed charge," therefore the appointment of Assistant Superintendent of Police in Ganjam being a full vacancy, I consider I am fairly entitled to the full allowances and Assistant Superintendentship, and trust you will kindly take the same view of the case, and get me appointed to the full vacancy as Assistant. I need hardly mention that the work on the establishing of the Police is much heavier than it will be two years hence, the probable time of Captain Lock's return to this country; I am writing to the Chief Secretary on this subject and trust you will support my claim.

(Signed) F. D'ARCY.

Personal Assistant to Inspector General of Madras Police.

No. 36. ORDER THEREON, 10th October 1861, No. 1,249.

The Government have already decided that the rule referred to by Captain D'Arcy, which is founded on a Despatch from the late Court of Directors, 8th August 1855, No. 57, paragraph 6, applies to Military Staff appointments, and not to appointments in the Civil Department, held by Military men. The course followed by the Inspector General of Police with respect to Captain Lock is correct. Captain D'Arcy must be considered as *Acting* Assistant Superintendent of Police in Ganjam, and will receive the deputation allowance he may be entitled to under the rules of the service.

Proceedings, 10th June 1861, *No.* 752.
