Proceedings of the Madras Government, Judicial Department,
26th October 1861.

Read again Proceedings of 14th September 1861, No. 1,159.

No. 135. Read also the following letter from C. PELLY, Esq., Member of the Board of Revenue; to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Calicut, 23rd September 1861, No. 1,057.

With reference to the Order of Government, dated 14th September 1861, No. 1,159, requesting me to report whether the Establishment referred to by the Officer Commanding the Mount came under my consideration in my review of the Magisterial Establishment at the Mount, I have the honor to state for the information of Government that the necessary Establishment for the Cantonment Joint Magistrate at St. Thomas' Mount was finally recommended by me in my letter, dated 13th August 1860, No. 450, and sanctioned by Government in their Order, dated 23rd August 1860, No. 1,419. The Establishment alluded to by the Officer Commanding belongs apparently to the Police Department, with which I have no concern, and it appears to be a portion of the old Police Establishment transferred to the New Police alluded to in the beginning of paragraph 2 of my letter, dated 13th August 1860, No. 450. The Inspector General of Police is I think in error in supposing that the Establishment in question does not refer to the Police, but to the arrangements made by me for the Establishment of the Cantonment Joint Magistrate at Saint Thomas' Mount.

In his letter, recorded in the Proceedings cited above, the Deputy Adjutant General stated that the Military Pay Department had declined to disburse the pay for May last, of the Military Police Establishment at the Mount, on the plea that the charge should be adjusted by the Civil Department.

2. The Inspector General of Police, to whom a reference was made, remarked that the Establishment did not belong to the Police, but to the arrangements made by Mr. Pelly for the Establishment of the Cantonment Joint Magistrate. Mr. Pelly's letter shows that Mr. Robinson was in error in this supposition.

3. On reference to the previous correspondence on the subject, the Government find it stated in paragraph 7 of Mr. Pelly's letter dated 7th July 1860 that the Joint Magistrate of St. Thomas' Mount had an Establishment costing Rupees 38-8 monthly. The Collector proposed to raise the salaries of the servants composing it to Rupees 62½ and Mr. Pelly recommended an establishment costing Rupees 78. The Government however remarked that the duties of the Joint Magistrate would be greatly reduced when he was relieved of the charge of the Police, and they refused to allow him an increased establishment without further cause being shewn.

4. Mr. Pelly again addressed Government on the subject, and explained that besides the Establishment of Rupees 38-8 abovementioned, the Cantonment Officer had, as Superintendent of Police, a Police Establishment costing Rupees 333 per mensem, that the transfer of this to the Mofussil Police rendered it absolutely necessary to supply him with a complete Establishment, and that the suggestion to which Government had demurred was founded on this consideration, and Mr. Pelly finally proposed the addition of a Peon to the Establishment. The following abstract shows the original Establishment, that proposed by the Collector and that finally recommended by Mr. Pelly and sanctioned by the Government.

Proceedings of the Madras Government, Judicial Department,
26th October 1861.

1 Dafterbund.	...	7

It was clearly the intention of Government and of Mr. Pelly that the Police Establishment costing Rupees 333 monthly should be transferred to the Mofussil as soon as the Cantonment Officer ceased to be Superintendent of Police, and that the new Establishment of Rupees 84 should suffice for all his duties as Joint Magistrate. Otherwise the Government would have been sanctioning increased Establishments for performing duties which they at the same time declared to be largely reduced.

5. The Government cannot discover from the papers before them whether the Establishment whose pay is now under consideration, formed part of the original Police Establishment, and whether the latter has been transferred to the Mofussil Police.

6. The Controller of Military Finance will be requested to report on this matter, and also to explain when the Establishment was sanctioned, what duties it performs, and under what circumstances the Military Pay Department has decided that the charge should be adjusted in the Civil Department. He will also state whether provision has been made for it in the Military Budget.

(Signed) J. D. SIM,
Secretary to Government.
