1 Abstract Estimate.

* No. 184, dated 29th November 1860.
† No. 184, dated 20th October 1860.

I have the honor to forward, for submission to Government, a Plan and Estimate amounting, after correction, to Rupees 600, for making certain alterations and additions to the Munsiff's Court House at Bhowany, in the District of Coimbatore.

2. The Civil Judge of Coimbatore forwarded* a translation† of an Urzee (or application) from the District Munsiff of Bhowany, and requested that under the circumstances therein represented, an Estimate might be framed for such work as may be deemed absolutely necessary for the security of the Court House, and for the preservation of the records. Mr. Fraser accordingly prepared‡ an Estimate amounting to Rupees 1,860, for constructing a new Munsiff's Court House, for entry in the Budget for 1861-62.

3. But as the Estimate in question could not be entered in the Budget for that year owing to the limitation of expenditure, Mr. Fraser was requested§ to prepare an Estimate for the work proposed by the District Munsiff in paragraphs 4 and 5 of his Urzee above quoted, viz., for repairing the present building, and for making certain alterations and additions thereto, and his successor Captain Goddard accordingly forwarded|| the accompanying Plan and Estimate; both of which have met with the approval of the Civil Judge of Coimbatore, as well as of the Judges of the Sudder Court.¶

§ No. 8,388, dated 22nd December 1860.

No. 160, dated 9th July 1861.

¶ Letter dated 14th September 1861.

4. The present Estimate provides for constructing two additional rooms,* viz. one for a separate Record room, and the other for the use of the Munsiff. Provision is also made therein for effecting certain alterations which are indispensably requisite for keeping the Vakeels at a greater distance from the Munsiff than they are at present.

5. An item of Rupees 104, for repairing the building having been sanctioned by the Local authorities in June 1861, no provision is made in the present Estimate for repairs.

7. In July 1849, Government sanctioned‡ an Estimate of Rupees 57-14-0 for converting the building into a District Munsiff's Court House; and a further outlay of Rupees 19-8-0 for sundry repairs, was authorized by the Board of Revenue in August 1853.

8. The enclosed Estimate has been examined and corrected in this Office, I request therefore Government will be pleased to sanction it—the amount, viz., Rupees 600, to be defrayed from the general funds placed at the disposal of the District Engineer for expenditure during the current official year.
