MILITARY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers :—

From the Deputy Quarter Master General of the Army, Head Quarters, Ootacamund, 2nd October 1861, No. 85; to the Secretary to Government, Military Department.

I have the honor, by order of the Provincial Commander-in-Chief, to forward the enclosed correspondence* from the Officer Commanding the Ceded Districts, asking how the cost of certain Barrack fixtures become deficient while under charge of the Police, is to be met.

2. The Regulation issued by the Government of India, re-published in page 308 of the Fort Saint George Gazette of this year, does not provide for the case, probably because subsidiary Rules were to be prepared by the Finance Commission.

3. The instructions of Government are therefore solicited.

From the Officer Commanding Ceded Districts, Bellary, 26th September 1861, No. 85; to the Quarter Master General of the Army, Ootacamund.

I have the honor to forward herewith, for submission to the Provincial Commander-in-Chief, copy of a letter* received from the Superintendent of Police.

* With a Bill, amounting to Rupees 3-10-2.

I beg in explanation of the circumstance to state that, on the departure of the Horse Field Battery, certain buildings vacated by them, were given over to the custody of the Police; as usual a List of fixtures, &c., was given to the Superintendent of Police.

On the inspection of these buildings in the month of May 1861, certain fixtures were found deficient, and a report was made to the Superintendent of Police.

The District Engineer was directed to re-place these deficiencies, forwarding a Memorandum of the cost for recovery.

In the month of June 1861, again certain fixtures noted in the margin, were found deficient. The Bill for these has not yet been received.

I have the honor to request you will inform me to whom I am to look for payment for the loss and damages done to these buildings, while in the charge of the Police.

From Captain P. T. Sims, Superintendent of Police, Bellary, 23rd September 1861, No. 467; to the Deputy Assistant Quarter Master General Ceded Districts.

With reference to your letter No. 512 and Bill accompanying, I have the honor to state, for the information of the Major General Commanding, that, under orders from the Inspector General of Police, I am unable to meet the Bill, as charges for repair of Military buildings, have not been included in the Budget Estimate of the Police Department for 1861 and 62.
