I have the honor to request that the Government will be pleased to place the services of the Non-commissioned Officers and Private noted in the margin, at my disposal, for employment as Warders in the new Prison for Europeans on the conditions laid down in the Order of Government, dated 8th February 1860, No. 146.

2. It would be desirable that the Warders should be present for duty by the 1st December next. I hope the Jail and fittings will then be ready.

Application will be made for the services, to be available at an early date, of the men named in this letter.
