*Proceedings of the Madras Government, Judicial Department,
11th November 1861.*

No. 41. Read the following letter from Lieutenant Colonel W. H. HORSLEY, Chief Engineer, Department Public Works ; to J. D. SIM, Esq., Secretary to Government, Public Works Department, Fort Saint George, dated Chepauk, 26th October 1861, No. 6,479.

I have the honor to submit for the Orders of Government the accompanying letter from the District Engineer, Madura, requesting that in the event of the appointment of Subordinate Judge at Madura being abolished, the Building termed the Tumkum there may be allotted as a residence for the District Engineer on payment of a monthly rent of Rupees 42, the same as is now paid by the Subordinate Judge.

*Enclosure 1.
1 Letter from the District Engineer of Madura
dated 14th October 1861, No. 902.*

*Vide Proceedings of Government No. 2,128 dated
5th September 1859.*

2. Captain Ryves states that at present there is no suitable dwelling house for the District Engineer, and under these circumstances and as there is no other Officer in the District who has a prior claim, the Collector and Judge being already suitably provided with accommodation, I recommend that his request may be complied with.

From Captain J. G. RYVES, District Engineer, Madura ; to the Deputy Chief Engineer Southern Circle, dated 14th October 1861, No. 902.

There is reason to expect that in a short time the Subordinate Judgeship at this station will be discontinued. In G. O., No. 2,128, dated 5th September 1859, Government ordered that the Tumkum should be reserved as the residence of the Sub-Judge at the rent fixed, viz., Rs. 42 per mensem. I have now the honor to request you to apply to Government for the Tumkum to be reserved as the residence of the District Engineer supposing the Sub-Judgeship be discontinued.

2. Madura being the head quarters of the District Engineer, it is desirable that he should have fixed residence at that station. At present I am living in a Bungalow which is uncomfortable and unhealthy and tumbling down, even I as a bachelor, accustomed to discomfort, can hardly put up with it and have more than once thought of moving to Dindigul. A married man would be put to much expense and inconvenience, he would have to build himself a house.

Transferred to the Judicial Department.

28th October 1861.

(Signed) J. D. SIM,
Secretary to Government.

No. 42. ORDER THEREON, 11th November 1861, No. 1,365.

The request preferred in the above letter will be taken into consideration in the event of its being hereafter decided that the Court of the Subordinate Judge of Madura is to be permanently closed.

(Signed) T. PYCROFT,
Chief Secretary.
