MILITARY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Adjutant General of the Army, Head Quarters, Ootacamund, 7th September 1861,
No. 597; to the Secretary to Government, Military Department.

I have the honor, by order of the Provincial Commander-in-Chief, to submit the following case for the consideration and orders of Government, with reference to the previous correspondence as per margin, and at the same time to request, that a decision may be obtained on the general question, for future guidance.

Pro. of Madras Govt., No. 2656, of 26th July 1861.
Letter from this Department, No. 510, of 6th August 1861.

2. The Superintendent of Police North Malabar has forwarded an application from Naigue Mahomed Hoossain, No. 1306, of the 3rd Regiment Palamcottah Light Infantry, at present instructing the Police at Tellicherry for permission to be transferred to the Pension Establishment on the pension of his rank, having served 20 years and 195 days, with a view to obtaining permanent employment in the Police Corps, or to be allowed to take his discharge with the gratuity authorised in paragraph 2 of G. O. C. C., 28th October 1860, No. 108, as the Native Army at present holds out little hopes of promotion to Non-Commissioned Officers.

3. His Commanding Officer strongly recommends the application on account of the man's unexceptionable character, and in order to obviate to some extent the stagnation in promotion in the Regiment under his command.

With Report of the Controller of Military Finance, dated 8th October 1861, A.

ORDER, No. 3973, 5th November 1861.

Following the analogy in the case of European and Native Soldiers selected for employment, Proceedings No. 613, dated 15th February 1861. not in Council as per margin. Native Soldiers of the Native Army who, with the permission of their Commanding Officers, accept employment in the Police, after having served, as Soldiers, the prescribed period for Military Pension, shall continue to be borne on the Rolls of their respective Corps (as supernumeraries, so as to enable promotion to be made in their room, if necessary,) and returned as "On command-Police."

2. The Military Pay of such men while employed in the Police, shall be held to be included in their Civil salaries, and the whole will be debitable to the Police.

3. By the arrangement now sanctioned, the men in question will retain their right to Military Pension, when declared unfit for further Military Service, and will be liable to be romanded to their Regiments, for misconduct.

4. The case of Naigue Mahomed Hoossain, 3rd Regiment Light Infantry, referred to in the papers above recorded, will be dealt with under the provisions of this Order.
