*Proceedings of the Madras Government, Judicial Department,
14th November 1861.*

No. 62. Read the following letter from the Revd. T. DEALTRY, Commissary of the Diocese; to J. D. SIM, Esq., Secretary to Government, Fort Saint George, dated 29th October 1861, No. 625.

The Reverend H. Pigot James, Joint Chaplain of Secunderabad, applied to me some time ago to request that I would move the Government to authorize him to re-enlist Soldiers, as much inconvenience was experienced in consequence of the only person qualified to administer the oath, residing five miles from the station. I referred Mr. James to the Order of Government, May 17th 1861, No. 650, in which it was stated that "the Supreme Government will make their own arrangements for re-enlisting Soldiers." But as he still deems it desirable to make application, I have the honor to forward for the consideration of His Excellency the Governor in Council his reply to my letter; I would venture to add that there is no honor or emolument attached to the office sought by Mr. James. He merely desires it "for the public benefit."

No. 63. ORDER THEREON, 14th November 1861, No. 1,379.

The Reverend Mr. James should be informed by the Commissary of the Diocese that any proposed arrangement for the re-enlistment of Soldiers should emanate from the Military authorities. The Government cannot receive any application on the subject, which does not come before them through the proper channel.

Chief Secretary.
