With reference to the Proceedings of Government, No. 1,307 of 26th October 1861, we have the honor to state that the proposed increase of expense can be met from the sanctioned expenditure for this year.

We beg to apologise for having omitted to supply this information in our letter of 11th October 1861, thus occasioning this reference necessary.

No. 75. ORDER THEREON, 14th November 1861, No. 1,385.

It appears from the Judges' letter that during the past nine months of the year, there has been an increase of about 300 suits in the monthly average as compared with the same period last year,—and that the work of issuing summons has necessitated the attendance of that Department of the Court's establishment much beyond the usual office hours.

2. As aid is thus urgently needed, the Governor in Council resolves to sanction the immediate entertainment of two temporary writers on Rupees (14) fourteen a month each. The charge will be passed against the savings in the sanctioned expenditure for the Court.

3. The Judges will submit a tabular application in the prescribed form for transmission to the Government of India.

(Signed) T. PYCROFT,  
Chief Secretary.
