Proceedings of the Madras Government, Judicial Department,
16th November 1861.

No. 85. Read the following letter from Captain CHAS. HEARN, Acting Inspector General of Madras Police; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Tinnevely, 26th October 1861, No. 1,706.

With reference to Orders of Government, No. 1,264, dated 17th October 1861, and No. 595, dated 4th May 1861, I have the honor to state that the arrangement alluded to in paragraph 5 of Mr. Robinson's letter No. 1,080 of 9th November 1860, has not yet been carried out.

2. The strain arising from new and rapid organization has hardly yet ceased in any District. The subordinate ranks of Inspectors and Petty Officers are but incompletely filled owing to the difficulty of finding men suited for the purpose. In fact they must be made.

3. The energetic supervision of experienced English Officers cannot any where be dispensed with. In the other ranks alluded to we are working far beneath our Estimate,

4. The annexed Statement shows the net additional expense of the grade of Deputy Inspector General.

No. 86. To the Secretary to the Government of India, Home Department, dated Fort Saint George, 16th November 1861, No. 1,396.

In your letter, 13th April last, No. 745, communicating the sanction of the Government of India to the appointment of five Deputy Inspectors General of Police, it was requested that the reductions of expenditure, which it was proposed to effect in order to meet in part the cost of these new appointments, should be made at as early a period as possible, and that a Tabular Statement should be submitted, showing the net additional expense to be incurred.

2. The reductions in question were to be brought about by dispensing with the Superintendents in some of the smaller districts, as soon as the Police Force could be thoroughly

organized, when a First Assistant would suffice. Mr. Robinson was asked, on receipt of your letter under reply, to submit the Tabular Statement called for, when he had carried out this arrangement.

3. The number of Superintendents has not yet been diminished. In reference, however, to Mr. Under Secretary Rivett Carnac's letter, 1st ultimo, No. 1,985, requesting that the transmission of the Tabular Statement should be expedited, the Acting Inspector General has submitted a statement, a copy of which is annexed, showing the actual cost of the four of the appointments that have up to this time been filled up.

4. Captain Hearn explains that the strain arising from new and rapid organization has hardly yet ceased in any district. The subordinate ranks of Inspectors and Petty Officers are but incompletely filled, owing to the difficulty of finding suitable men. For the present, the Superintendent cannot be dispensed with in any district, especially as the force has not yet been brought up to the full strength of the Estimates. This Government are satisfied as to the soundness of Captain Hearn's remarks.
